RE: Docket No. AB-857 (Sub-No. 1), Great Western Railway of Colorado, LLC- Abandonment  
Exemption - In Weld County, CO  
Corps File No. NWO-2G07-2567-DEN

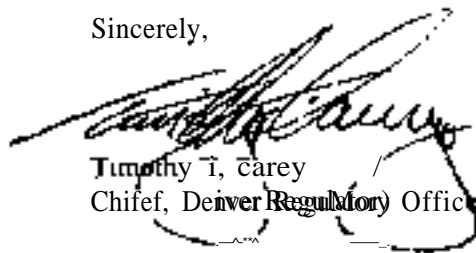

Reference is made to the above-mentioned project located between milepost 0.0, at Johnstown  
and milepost 6.2, at Welty in Weld County, Colorado.

This project has been reviewed by Mr. Terry McKee of my office in accordance with Section  
404 of the Clean Water Act under which the U.S. Army Corps of Engineers regulates the discharge of  
dredged and fill material, and any excavation activity associated with a dredge and fill project in waters  
of the United States

Based on the information provided, a Department of the Army (DA-) Permit will not be required  
for work at this site. Although a DA Permit will not be required for the project, this does not eliminate  
the requirement that other applicable federal, state, and local permits be obtained as needed.

**If there are any questions call Mr. Terry McKee of my office at 303-979-4120 and reference  
Corps File No. NWO-2007-3567-DEN.**

Sincerely,

Timothy J. Carey  
Chief, Denver Regulatory Office
